Dear Member

Following the all union meeting last week, the Agenda for Change trade unions (RCN, RCM, Prospect and Unite) met yesterday and have drafted a letter notifying a dispute to the Industrial Disputes Officer (IDO), which we will be submitting today.

For information on the IDO process please see the link below:

In addition, the RCN will be surveying its members to inform the discussions through the IDO. The other unions may choose to survey their members at a later date depending how discussions through the IDO progress.

Yours sincerely

Jacqueline Carr, Senior Regional Officer, Royal College of Nursing
Stephen Langford, Negotiations Executive, Prospect
Vicky Richards, National Officer, Royal College of Midwives
Dave Bourgaize, Regional Officer, UNITE
